

Health and Safety Policy Statement

The following is a statement of Links Signs health & Safety policy in accordance with Section 2 of the Health and Safety at Work etc Act 1974.

It is the policy of Links Signs Limited to ensure so far as is reasonably practicable, the health, safety and welfare of all staff working for the Company and other persons who may be affected by our undertakings.

Links Signs Limited acknowledges that the key to successful health and safety management requires an effective policy, organisation and arrangements, which reflect the commitment of senior management. To maintain that commitment, we will continually measure, monitor, improve and revise where necessary, an annual plan to ensure health and safety standards are adequately maintained.

The Directors will implement the Company's health & Safety policy and recommended any changes to meet new circumstances. Links Signs Limited recognises that successful health and safety management contributes to successful business performance and will allocate adequate finances and resources to meet these needs.

The management of Links Signs Limited looks upon the promotion of health and safety measures as a mutual objective of themselves and staff. It is therefore, the policy of management to do all that is reasonably practicable to prevent personal injury and damage to property. Also, the Company aims to protect everyone, including visitors and members of the public, insofar as they come into contact with our activities, from any foreseeable hazard or danger.

All staff have duties under the Health and Safety at Work etc Act 1974 and are informed of their personal responsibilities to take due care of the health and safety of themselves and to ensure that they do not endanger other persons by their acts or omissions. Staff are also informed that they must co-operate with the Company in order that it can comply with the legal requirements placed upon it and in the implementation of this policy. Links Signs Limited will ensure continued consultation with the workforce to enable all viewpoints and recommendations to be discussed at regular intervals.

The Company will ensure a systematic approach to identifying hazards, assessing the risks, determining suitable and sufficient control measures and informing staff of the correct procedures needed to maintain a safe working environment. Links Signs Limited will provide, so far as is reasonably practicable, safe places and systems of work, safe plant and machinery, safe handling of materials and substances, the provision of adequate safety equipment and ensure that appropriate information, instruction, training and supervision is given.

Links Signs Limited regards all health and safety legislation as the minimum standard and expect management to achieve their targets without compromising health and safety.
